

Dear Parent(s) Guardian(s),

The English Department at Notre Dame is proud of the high academic standards of our school. We support these standards with strong programs within the English curriculum, such as our reading program. We believe children need to be encouraged to read good books and that our program provides them with this opportunity.

While many students return in the fall prepared for tests on their summer readings, there are some who neglect this responsibility. In effect, they choose to fail major tests in the beginning of the school year, a choice which academically and psychologically sets the tone for the first marking period, if not for the rest of the school year.

Each book is to be owned and read by the students before school begins in the fall. In addition, students are required to answer the questions on the reading guide for their books. Writing chapter summaries is encouraged. It is our hope that both students and parent(s), guardian(s) will be accountable for this reading assignment.

Sincerely,

Mrs. Brandy Miller-Hoke  
English Department Chair
