

**Notre Dame Schools  
Student Referral Program  
2022-2023 School Year**

Notre Dame wants to reward current families for promoting our school to their family, friends, neighbors, and colleagues with our **Referral Program**. This referral program rewards current families with a one-time **\$500 tuition credit** for each new family (K-11) they get to enroll at Notre Dame Schools.

This referral program is open to all families with kindergarten through 11<sup>th</sup> grade students enrolled at Notre Dame Schools.

**Please note that the family you are referring must include your name at the time the application is submitted online. Applications cannot be revised to add referral information.**

Families will see a section on the application that says *"Hear About Us:"* advise the family you're referring to select **Current/Former Family** and under *"Details:"* advise the family you're referring to **write your name**. Applications cannot be revised to include this information once submitted.

- For each new family that enrolls at Notre Dame and submits this information, a \$500 tuition credit will be awarded to the current family after the family/student completes one full year and enrolls for a second year.
- If two or more referral names are listed, tuition credit of \$500 will be split between these families.
- To qualify for this incentive, the new family/student cannot have a sibling currently or previously enrolled at Notre Dame. Tuition credit is good for one-year.
- This incentive program is only valid for the first year the new family attends ND. Any current ND family that is past due on their tuition/fees will have their incentive applied toward any owed tuition/fees. Families who pay tuition in full will receive a credit for the following year.
- Referrals do not apply to any organizations we have existing Admissions agreements with or to any International students.
- Faculty, Staff and Board of Trustee members do not qualify for the referral program.

With your assistance, we can continue to build our school community with families who, like **you**, realize that values and education matter. Start sharing the great news of Notre Dame!
